

"Eerie Entertainment and Roubeez- Trick or Treat Street Candy Collecting Game"

Fast and fun game (15 minutes) that's mission is for players to collect all the candy from the other player (2-4) by traversing the neighborhood board. There are special perks on the board along with trick or treat cards that can either help or hurt. There is a super special house that has the full size candy bar as the game winning prize. So they could have special collection bags for their collection of candy along with their game piece which can be 3D printed mini versions of the Plastimarx monsters or something similar. Have an assortment of playable pieces... can also be 2D cutouts

Game play:
 Game starts with players going from youngest to oldest.
 Dish out starting candy (x# of pieces per player)
 Start 15 minute audio track
 Pick up or loose pieces of candy along the route (1 -4)
 Game spaces can be blank, trick (lose a piece) or treat (gain a piece)

Candy is in a themed candy dish / bowl and is administered by the person designated as "the Ruler of Halloween"

Win the game: player with most candy at the end of the 15 minute round or who scores the full size bar from the rich guys house.
